RESOLUTIONS.

SERMON TO UNDERGRADUATES.

The undergraduates assembled Saturday, September 19, and passed resolutions of thanks to Dr. A. G. Dinwiddie for his sermon to them, and elected C. M. Bishop to preach the sermon to them at the next annual session.

THORNTON BEQUESTS.

WHEREAS, It is the duty of this Association to keep in close touch with the James T. Thornton estate. Therefore,

Resolved, That Rev. M. M. Pugh and Rev. J. M. Boon be appointed as commissioners to look after and secure our interests in said estate.

ST. LOUIS ADVOCATE.

Recognizing the need of a largely increased circulation of our Conference organ, The St. Louis *Christian Advocate*, we pledge ourselves to a hearty and diligent effort to raise clubs of new subscribers, under the generous proposition made by Dr. Palmore.

SEMI-CENTENNIAL SERMON.

Resolved, That we regret that the state of the health of J. M. Proctor did not justify him in preaching during the Conference, the Semi-Centennial sermon called for by our last session.

Resolved, That we request W. M. Prottzman to preach before this Conference at its next session a Semi-Centennial sermon.

DEATH OF SISTER FARIS.

WHEREAS, Our beloved Brother, A. R. Faris, has been so deeply bereaved in the death of his beloved wife, Therefore be it

Resolved, That we deeply sympathize with our Brother in his affliction, and that in our prayers we commend him to the God of all comfort, and that Bishop Galloway appoint a committee to telegraph these resolutions.

DR. JACOB DITZLER.

Resolved, That we gladly welcome Dr. Ditzler to our hearts and homes, recognizing him as a former member of our Conference, and remembering likewise his great and valuable labors by which the Church has been strengthened through all Southern Methodism, and we pray the blessings of God upon him in all his future.

MR. BEN. DEERING.

WHEREAS, Mr. Ben. Deering, once a local preacher of our Church, but who has had no relation with us for several years, and who now does not claim any connection with any Church, has been conducting religious services in the bounds of our Conference.

Resolved, That we, as a Conference, publish these facts, and protest against the recognition and support of a man by our people, who, while he claims to be doing the work of our Lord, at the same time remains outside the pale of His Church.

COMPLIMENTARY.

Resolved, That the thanks of the Conference are due and hereby tendered to the citizens of Nevada for the elegant and Christian hospitality with which they have received and entertained us, and that we will remember them in our prayer to God.

Also, that we gratefully recognize the courtesies extended to us by the ministers and churches of the city in inviting us to their homes and pulpits.

Also, to the various railroads for reduced rates of fare.

REPORTS.

BOARD OF EDUCATION.

Your Board of Education have had under consideration the general statement of the aim and policy of the Board of Education of the M. E. Church, South, as prepared and sent out by the Board; and recommend that this Conference give hearty endorsement and co-operation to the General Board in all its purposes, as thus expressed.

In order to complete the organization which they suggest, and to facilitate the work in behalf of this important interest of the Church, your Board recommended and you adopted last year the following constitution:

1. This Conference shall elect a Conference Secretary of Education, to serve without salary, to whom the several District Boards of Education, hereinafter provided for, shall report immediately upon their organization. It shall be the duty of the Conference Secretary of Education to see that the District Boards be furnished with catalogues of all our institutions, and with all information necessary to the prosecution of the work of the District Boards, and to keep a roster of teachers desiring situations, and to put them in correspondence with the Boards applying for teachers.

2. This Conference shall also elect a Conference Treasurer of Education, to whom all moneys belonging to the Conference Board of Education shall be paid, and who shall pay out of the said funds the expenses of the Secretary of the Board for stationery, printing, etc., and the traveling expenses of members of the District Boards when in the discharge of their duties as members of the Board, and shall present an itemized statement of all moneys received and disbursed by him to the Annual Conference Board of Education, with vouchers therefor.

DISTRICT BOARDS OF EDUCATION.

Every District Conference shall elect, for a term of two years, four laymen, and the Presiding Elder shall appoint three preachers from his district, as a District Board of Education. The Presiding Elder shall be ex-officio a member of the Board, and he shall have power to fill any vacancies occurring in the Board, in the interim of District Conferences. He shall call a meeting of the Board for his District in the month of April, which shall effect its own organization, and report the same to the Conference Secretary of Education, and lay such plans for their work in the District as in their judgment are advisable. The four laymen upon this Board shall be ex-officio members of the District Conference. It shall be the duty of the District Boards of Education:

1. To secure through the pastors of the different charges of the District, such facts concerning the number of children and young people

of our own church of school age, and the facilities for education within their bounds, as shall enable the Church to know the needs of our people: to secure from the Secretary the names of such teachers as desire situations, and to do all in their power to supply the local needs within the bounds of their several Districts; to procure the names and addresses of such young people as may be induced to attend our Academies and Colleges, and to report them to the faculties; personally to aid the agents of our schools in whatever way possible when canvassing within their bounds; and to report in writing to the District Conference the work of the Board for the year, together with the statistics before mentioned.

2. No student for our ministry shall be admitted to our Academies or College, as a beneficiary student, who has not been recommended to the District Board by the pastor of the charge in which he holds his membership, and by the District Board to the faculty of the institution which he proposes to enter. When such application is made and approved, the District Boards shall diligently enquire what amount of aid is absolutely necessary for such applicant to meet expenses other than tuition, and shall inform the pastors of the amounts expected of their charges, and the pastors shall raise the amounts in such way as they shall deem best; and the said amounts, when raised, shall be forwarded to the Treasurer of the Conference Board of Education, with information for whom it is to be used.

3. No school shall be recommended to the patronage of our people by the District Conferences that has not secured the approval of the District Board of Education.

And the Board recommends to the Conference that C. M. Bishop be elected Conference Secretary, and A. H. Barnes Conference Treasurer, according to this Constitution herein adopted.

Your Board, desiring to put itself in harmony with our general Board of Education, and desiring further to devise as liberal measures as possible, we therefore recommend that an assessment of \$2,028 be made on this Conference for education, to be divided as follows: For Paine and Lane Institutes, \$600; for the general Board, \$228; for Central College, \$400; for Central Female College, \$400; for Scarritt Collegiate Institute, \$200, and for Morrisville College, \$200.

A. G. DINWIDDIE.

We congratulate our general Board of Education, and especially Dr. R. J. Bigham, Secretary, that in this first year of the active work of the Board, so much has been done in the way of gathering interesting statistics, in scattering instructive literature, and increasing general interest in the subject of Christian Education throughout the Church.

In order to further the important interests of this work in our own Conference, your Board recommends that the Conference shall order that

the second Sunday in January be set apart as COLLEGE DAY; and that it shall be observed in all our charges by the holding of a special service in behalf of Christian Education, and by an earnest effort to raise the assessment imposed by this Board.

2.—CENTRAL COLLEGE.

Central College, our school for young men, the property of the three Missouri Conferences, we are happy to say, is in a most prosperous condition. Never before in its history has the outlook been more hopeful.

During the past year it has had a change in its presidency. Dr. Hammond resigned to accept the presidency of Wesleyan Female College, and Hon. Tyson Dines was elected President. His election was received with enthusiasm by all the friends of the school.

Another important step taken during the past year was the separation of the Academy from the College proper, which has increased the efficiency of the College greatly.

During the year the will of Moses U. Payne was probated, and the College will receive \$10,000, to be added to the endowment. The College is also indebted to Mrs. B. F. Johnson for two acres of ground adjoining the campus. The attendance during the past year has been larger than for some years past. We find every department well equipped, and every chair well filled. In consideration of the above facts, we thank God for past blessings upon the college, and we offer prayers for her future prosperity and usefulness.

We most heartily recommend Central College to our people as the place for Methodist young men. We also request the appointment of the usual visiting committee.

A. H. BARNES, for Board.

3.—CENTRAL FEMALE COLLEGE.

This Institution, so well known, where so many of our Missouri girls have received a Christian education, needs no eulogies from us; but perhaps a few references to its departments of work, and to its history during the past year, would be helpful. The number of students was 148; graduates, 8. There are 2,000 volumes in the library, valued at \$4,500, and apparatus worth \$1,000. The Faculty of the College is unsurpassed, if equaled, by that of any similar institution within the bounds of our denomination. President Jones paid out during the past year about \$13,000 in salaries to his teachers. With such a faculty and with such an equipment no better place could be found for young ladies seeking the highest Christian Education.

While God's hand has ever been upon the College for good, yet it was very hard to see a blessing in the death of Col. John A. Jones, the father of the President, and Professor of Political Economy. And we also greatly regret the loss of Miss Mary Z. Bryant, long a faithful and much

moved teacher in the school. While we feel these afflictions we thank God that the College abounds, and has a future of great hopefulness.

We recommend that the request of the Board be granted, wherein they ask the appointment by this Conference of three members of the Board of Curators. And we hereby nominate for these positions W. B. Palmore, Robert Taubman, and J. Fletcher Groves. Your Board of Education also ask that the Conference recognize and endorse the appointment of Rev. W. F. McMurry, of the Missouri Conference, as agent of the College.

It is the firm conviction of your Board that Central Female College does the highest grade of educational work of any institution for the education of young women in the State. And we would impress upon the minds of our preachers and our Methodist people generally, that this being the central institution and joint property of the three Conferences of our State, has a right to expect and demand their hearty support and co-operation in all its noble work.

We recommend the appointment of A. R. Faris, A. G. Dinwiddie and E. Y. Ginn as a visiting committee.

A. H. BARNES, for Board.

4.—MORRISVILLE COLLEGE.

From the report of the Board of Curators of Morrisville College we are glad to learn of the prosperity of the school during the past year, and of the gratifying results of the labors of the President and Faculty. Notwithstanding the hard times, there was a matriculation of 108, and the enrollment for the present term promises to rise considerably above that of last year.

The College is located in a prosperous town, 1400 feet above the sea, commanding a territory untouched by the immediate influence of other schools of our church, with a history of years of consecrated fidelity to Christian education. Some changes have been made in the Faculty; but it is confidently believed that by such changes no damage will accrue.

During the year one and a half acres of land was added to the College grounds, and other improvements made amounting to \$460, all of which was raised by the citizens of the town. We are glad to note the local patronage has been considerably increased. Friends of the school are most hopeful of an enlarged success and usefulness of the institution.

The Board requests the appointment of Rev. W. H. Winton to the Presidency of the College, and that J. G. Simpson, B. W. Mitchell, C. J. Wilkins, B. V. Alton and J. F. Robb be elected on the Board of Curators for the three ensuing years.

S. J. BROWN, for Board.

5.—SCARRITT COLLEGIATE INSTITUTE.

With pleasure we note the continued success and influence of this school. It is doing a splendid work for Methodism and for society in sending out educated and cultured young men and women of Christian integrity to the homes and churches of our land.

Its location is very fortunate. The country round about Neosho is beautiful, and the air of that high region is pure and healthful.

Last year there were matriculated 166 pupils. The prospect for an equal number this year is flattering.

Dr. C. C. Woods, who has, since the reorganization of the school, been its efficient President, has severed his connection with it. Prof. J. C. Shelton, A. M., who has been with Dr. Woods all these years, has been selected by the Board of Curators to take the position. He is in every way capable, and is worthy our most implicit confidence and our heartiest endorsement.

Mrs. J. C. Shelton will have the care of the "College Home," and we feel assured that it could not have fallen into better hands. No father or mother need have anxiety about the care of a daughter while she is in that excellent home.

The moral influence of the school is of the best. Very few of the students leave, after having spent a year in the school, without having become Christians. This is our school, and should receive not only our sympathy, but our material support as well.

We recommend the confirmation of the election of J. C. Shelton, A. M., as President for the ensuing Conference year, M. E. Benton, D. P. Weems and Joseph King as members of the Board of Curators, and the appointment of a visiting committee.

T. W. ALTON, for Board.

6.—COTTEY COLLEGE.

The Board of Education has had before it the report of the Board of Curators of Cottey College, and after duly considering the same make the following report:

That we are gratified to learn of the increased prosperity of the College. The school is elegantly located and wisely conducted. Mrs. V. A. C. Stockard is recognized as one among our most efficient educators. She is a most devoted Christian woman, and worthy of the highest and fullest confidence of our people.

The College has had a most successful year. Thorough and high grade work has been done. The Faculty is composed not only of competent teachers but devout Christians. We note, with pleasure, that every unconverted young lady in the College was converted during the year, and real practical Christian work is being done.

The college building is large, and modern in appointment. Mrs.

Stockard announced to the Board that it is her intention, in the near future, to give the whole of the college property, grounds, buildings, etc., estimated to be worth \$30,000, to the Southwest Missouri Conference. The College is now a little in debt, but as soon as its title is clear from debt she will offer it all to the Conference, in the name of the Lord Jesus, as a thank-offering for his special mercies and blessings upon her in the work. As the Board of Education for the Southwest Missouri Conference, we highly appreciate the spirit which prompts Mrs. Stockard to give this entire property to the Church; and we unhesitatingly express our high appreciation of the earnest and faithful work done by Mrs. Stockard and her co-laborers in the interest of Christian education.

She asks the Conference to continue the present relations, and appoint a visiting committee, and the following Advisory Board: J. King, the Presiding Elder of Nevada District; the Preacher in charge of Centenary Church, Nevada; C. H. Briggs, W. M. Prottzman, W. T. McClure, J. B. Latimer, J. S. Clark, Dr. I. W. Amerman, and Dr. G. W. Petty.

S. J. BROWN, for Board.

7.—PAINE INSTITUTE REPORT.

The Paine Institute, in the twelve years of its history, has sent out one hundred graduates. Twenty-six of these are ministers; forty-four are teachers; two are doctors; one is a lawyer; two are merchants; two are book-keepers; four are land proprietors running their own farms, and seven of them have married ministers. We learn, thus, that eighty-eight of these graduates are working among the leaders in the vocations of their people. There doubtless are commendable results.

The Institute has, through the liberality of Moses U. Payne, an endowment of \$25,000; and has other property valued at \$14,483.75. The sum of \$15,000 is asked of the Church for this school; \$600 of this amount is asked of us as a Conference. The Board of Education hereby recommends this amount be apportioned to the different Districts of the Conference, to be collected for that purpose.

L. M. PHILIPS, for Board.

BOOKS AND PERIODICALS.

PUBLISHING HOUSE.

The financial condition of the Publishing House, as shown in the report of the Book Agents, is highly gratifying, especially when we consider the general business depression of the country. Recognizing the fact that the Publishing House is, in an important sense, our only business enterprise, it is incumbent upon us, as preachers, that we should give it our heartiest support. The past year it has yielded a dividend of \$20,000, and might easily be made to yield a larger sum.

REVIEW.

The *Review* is still on a self-sustaining basis. It deserves a much larger patronage. It is a periodical of great value to the preacher, whether it comes with his charge as subscribed for by himself, or as a magazine to influence the life of his membership. We are convinced that it is our duty to make a canvass among the laymen for the *Review*.

NASHVILLE ADVOCATE.

The *Christian Advocate*, published at Nashville, being the general organ of the Church, has a relation to us, which no other Church paper sustains. The general organ fosters the connectional spirit so essential to securing the best results under our system. It should receive our heartiest support, not only on this account, but also because it is a paper of such merit that it deserves support.

SUNDAY SCHOOL LITERATURE.

Our Sunday School Literature won for itself a high place under the able editorship of Dr. Kirkland, whose death during the past year we so deeply deplore. We are delighted to say that this important department of our publishing interests maintains its high standard—the various papers and magazines comparing favorably with any other Sunday School Literature in our land.

ST. LOUIS ADVOCATE.

The *St. Louis Advocate* is, in a peculiar sense, our paper, and as such should have an interest taken in it which naturally could be given to no other. We congratulate Dr. Palmore on the wisdom manifested in the selection of editorial assistance during his absence abroad. We recommend Rev. W. T. McClure and Rev. C. M. Hawkins as Editorial Committee for the ensuing year.

JAS. A. DUNCAN, for Committee.

BOARD OF MISSIONS.

The collections for the year have fallen behind those of previous years, and we urge upon the preachers the necessity of early collections, the holding of missionary mass meetings and the organization of missionary societies in every charge.

We request the re-appointment of Bro. C. H. Briggs as Conference Missionary Secretary, and appoint said secretary and the presiding elders a committee to arrange for the presentation of this cause at their respective District Conferences.

The districts are assessed as follows:

COMMITTEE ON MEMOIR.

ANDREW MCCOY, the eldest son of Wm. and Sarah Rader, was born in Nicholas county, Virginia, (now Western Virginia,) March 26, 1824, and died at his home in Marshall, Missouri, June 1, 1896.

When he was 14 years old the family moved to Missouri, and settled in Johnson county, near Rose Hill, where, (when he was 19 years old, less 11 days,) he was married to Miss Isabella A. McFarland, March 15, 1843.

In 1847 he was converted and joined the M. E. Church, South, under the ministry of Garland Burgess, a local preacher.

He was licensed to exhort in 1849, by Daniel A. Leeper. In November, 1850, he was licensed to preach by the Quarterly Conference of Columbus Circuit, under the presidency of John T. Peery, and in June, 1851, the St. Louis Conference, at its session held in Boonville, and over which Bishop Soule presided, admitted him on trial as a traveling preacher. He was ordained deacon in St. Louis, October 3, 1853, by Bishop Andrew, and elder in Springfield, October 21, 1855, by Bishop Early.

In 1858 he located and settled on a farm in Jasper county, near where Webb City now is, where he lived until the war, when he entered the Confederate army.

At the close of the war he moved to Saline county, and bought a home four miles south of Marshall.

He was re-admitted into the Conference in 1866.

In 1879 he was appointed to Dover, but his health gave way and he did not serve it.

In 1880 he took a supernumerary relation in which he was continued nine years. And was connected with the Arrow Rock and Smith Chapel charge. However, the two last years were spent in Colorado seeking health.

In 1889 he took a superannuated relation, came back to Missouri and secured a home in Marshall, where, and in which relation he waited, in the midst of his friends who had known and loved him long, for his release from toil and suffering.

Bro. Rader was a preacher of the gospel nearly forty-six years: nine as a local preacher, twenty-one as an effective itinerant, nine as a supernumerary, and seven as a superannuate. Of the forty-six, twenty-seven were given to Saline county.

Our departed Brother was endowed with a strong, vigorous, grasping mind which, by the Lord's help, enabled him to make a good, instructive, helpful preacher, a most judicious pastor and safe counselor, despite the facts that he had scarcely no educational advantages in early life, and the care and support of a wife and four children (which were increased to thirteen) when he joined the Conference.

The church always prospered under his ministrations.

His health, which had always been robust till he was fifty-seven years old, gave way in 1879, and he never knew what it was to be well again. A continuous battle with disease was waged through the last sixteen years of his life.

In the spring of 1893 the writer of this tribute to his memory, and whose ministry spans the exact period of his, plus six months, visited him at his home, and was assured by him that all was well, and that he expected soon to enter into the rest awaiting the weary in his Father's house—"a house not made with hands—eternal in the Heavens."

He also made me the bearer of messages of love to his Brethren of the Conference.

By his death a pillow of our Conference has been removed. "He was diligent to form and fashion his family according to the doctrine of Christ, and make them wholesome examples and patterns to the flock."

His wife, six sons and four daughters survive him. Three of his sons, one in this Conference and two in Colorado, are itinerant Methodist preachers. One of his daughters is the wife of a preacher. All the others are engaged in honorable vocations.

Of the seventy preachers of the St. Louis Conference who received appointments with him forty-five years ago, so far as we now know, only fourteen—one-fifth—are yet living. One by one the other fifty-six have gone to "that borne whence no traveler returns."

Gathering home, gathering home;

Crossing the river one by one;

Gathering home, gathering home;

Yes, one by one."

W. S. WOODARD, Chairman.

SUNDAY SCHOOL BOARD.

Your Board has failed to get the statistics of this year, so as to compare them with those of last, but are persuaded that there has not been much increase in the number of Sunday Schools in our bounds.

We are sorry to have to report a sad falling off in the observance of Children's Day; and a consequent falling off in the collections. Out of 136 charges only 71 observed Children's Day, and the falling off in the collections have been \$70.46. The Board had hoped that by this year we would have been able to have put an active agent in the field, to travel at large through the bounds of the Conference. Such an agent could organize new Sunday Schools, form Normal classes, and hold Institutes, visit District Conferences, and thus do much toward inspiring enthusiasm, and infusing new life into that department of Church work.

We urgently request our pastors to use their utmost endeavor to secure the observance of Children's Day in all our Sunday Schools. We depend upon the pastors to organize Normal classes, and conduct the teachers' meetings, where at all practicable, in order that our teachers may be fully prepared to instruct their pupils.

We also request the Presiding Elders to arrange for the holding of Sunday School Conferences, either in connection with Epworth League Conferences, or with their District Conferences, and cause to be prepared suitable programs for the same. We believe that if a whole day were given to the discussion of Sunday School work, in connection with the District Conferences, it would go very far toward inspiring enthusiasm in this department of Church work. We hope that the preachers will urge the Superintendents and Teachers to be present on such occasions, and thus help to develop a greater interest in this work.

The following is the report of the Treasurer of our Board:

EPWORTH LEAGUE REPORT.

The Committee on Epworth Leagues are not able to report the number of Epworth League organizations, nor the increase of the same during the past year, as statistics could not be obtained.

We recommend the *Epworth Era* for use in our Leagues and among our young people.

We urge continued co-operation with all other Epworth Leagues of the State, by means of the State Conference; and also urge the continuance of District League Conferences. We also request the Presiding Elders to arrange to have their Sunday School Conference in connection with the League Conference in each District.

We heartily endorse the action of the State Conference in reference to the Corean Mission, and urge all our pastors and Leagues to respond to the call made by Bishop Hendrix and the State Epworth League Conference.

C. N. SCRIVENER, for Committee.

DISTRICT CONFERENCE JOURNALS.

The Kansas City District Journal has letters omitted and some times words. Otherwise the record is well kept. Marginal index and properly signed.

The Boonville District record is correct—well kept. Good marginal index and properly signed. The entire record is neat and clean.

The Lexington District record is well kept. Marginal index. Clear and distinct. Properly signed.

The Nevada District record has no marginal index. Letters are omitted and sometimes words. The President failed to sign the minutes. It is neat and well written.

The Clinton District record is well and faithfully kept. Good marginal index, properly signed. It is clean and neat.

The Springfield District record is correct, neat and clean. Fairly good marginal index and properly signed.

The Lebanon District record has lines and brackets not neat and not necessary. Marginal index, but useless on account of its being written across the ruling of the margin. The President did not sign the minutes.

The Neosho District record has a fairly good marginal index. It is deficient in punctuation.

I. F. GARNER, Chairman.

TEMPERANCE.

Taking the word Temperance as referring to the drinking of intoxicants, we, your committee, recommend:

1. That our preachers show to their several congregations, at least once a year, the evil results arising from the drink habit, and present the "Gospel of Christ" as the great regenerating and curing power.

2. That this Conference, by formal vote, recognize the liquor traffic as a withering, blighting curse upon home, state and church, and that in this matter our motto shall be the "suppression of the saloon."

3. That it would be well for our Conference to be represented in the Anti-Saloon League Convention, which meets in Washington City, December 8th to 10th, 1896.

E. K. WOLFE, for Committee.

BIBLE CAUSE.

We regard with satisfaction the fact that this old and honored institution has made a wider distribution of the Scriptures during the past year than any other in its history, both in the home and foreign field.

We regret that it has been compelled to draw upon its reserve fund to such an alarming extent to carry on its expanding work, because of the falling off in its benevolent receipts.

We would urge upon every preacher in charge the obligation to comply with the disciplinary requirement and take a collection annually in every congregation in his charge, and to endeavor to make the minimum *five cents* per member.

The collections from the charges during the past year have amounted to \$122.88, but many of the brethren did not take the collection at all.

The necessary information in order to intelligently present the Bible Society's claims before our people, can be obtained from the State Superintendent, H. P. Bond, St. Louis, Mo., to whom remittances should be made.

W. C. BEWLEY, President.

J. R. STRONG, Secretary.

The Methodist Benevolent Association.

There has been collected: (1) Permanent Fund, from the administrator of the estate of Wm. Morrison, deceased, former treasurer, \$983.14; by Dr. W. M. Prottzman, agent, from I. T. Garner, \$20.00; W. D. Fore, \$50.00; E. T. Webb, \$50.00; Mrs. Mary Smith, in memory of her father and mother, Dr. Dunkley and wife, \$50.00; B. Y. Chipman, in memory of his deceased son, Bartlett, \$25.00; J. R. Lowe, in payment of bond No. 52, \$25.00. Total, \$1,203.14. On hand last Conference, \$190.00. Total Permanent Fund on hand, \$1,393.14.

(2) Interest Fund, net interest on coupon bonds, \$137.60, which has been paid to the Joint Board of Finance.

The balance due from the estate of Wm. Morrison, deceased, Permanent Fund, \$1,996.08; Interest Fund, interest to July 22d, 1896, \$255.19; Total, \$2,251.27, and interest from July 22d, 1896. Of this amount the administrator is ready to pay \$491.57, the balance of \$1,759.70, and interest will be paid in the next twelve months.

The bequest of \$10,000 left by the will of Mr. James T. Thornton has not been paid, and the Association has elected, and the Conference confirmed the election, of the following commissioners, with plenary powers: J. M. Boon and M. M. Pugh.

The Secretary has made an earnest effort to collect the interest on coupon bonds, but \$162.20 remains unpaid. The Secretary was ordered to press the collection of this.

Judge J. E. Ryland, a charter member of the Association, resigned as a member of the Board of Directors. Thomas A. Catron was elected in his place.

The following are the officers of the Board for the ensuing year: Thomas A. Catron, President; M. M. Pugh, Vice President; Lon. V. Stephens, Treasurer, and J. M. Boon, Secretary.

J. M. BOON, Secretary.

Central College,

FOR YOUNG LADIES.

LEXINGTON, MISSOURI.

An Institution for the Higher Education of Girls and Young Women. Several College Courses, leading to Degrees; also, Certificates of Proficiency granted those completing elective studies. All departments—LITERARY, SCIENTIFIC, MUSIC, ART, PHYSICAL CULTURE, ELOCUTION, SHORT-HAND, TYPE-WRITING, BOOK-KEEPING—are of high order, and in care of specialists. Courses of study are strong and liberal; the work thorough; the best modern methods employed. The faculty is composed of earnest, enthusiastic Teachers of College Training.

The location is one of rare beauty and healthfulness. The College is kept with care, and equipped for health and comfort. Heated by steam; well ventilated; hot and cold water; bath rooms and other modern appointments on every floor. Special attention given to PHYSICAL CULTURE based upon the best features of the Delsarte and Sargeant systems.
